Dear Sir

Herewith I am forwarding to you for information extract from "Paterson Evening News" dated December 1, 1958. Regarding our mosque and community.

I am bit angry for the same points but it is too late to be. It appears to much praising as far as I am concerned. It is my first lesson as far as local news men are concerned.

I was telling them how we managed to buy a store and convert into a mosque and all other things. I was telling them no FBI records but he printed them all down below adding our number four community.

Sincerely yours
Ibrahim Sbodicky

P.S.
Please do confirm receipt of this letter.
Thanks.
